

# Nasri, Can you protect me

Can you stay the night?  
I'm having trouble sleeping  
I'm struggling to find a way  
To make it through the day  
Can you save a life?  
I think I lost that feeling  
I'm reaching for a dream  
That seems to be slipping away  
I'm like the sun that just won't shine ..  
Can you protect me?  
I need your words now  
My head is filled with doubt,  
tell me it'll be alright  
Can you protect me?  
My hearts' on lockdown  
It's a lonely road and I'm too drunk to drive  
Can you protect me? ..  
I'm carrying the world, on my expectations  
I'm trying to be everything and now I'm left in pieces  
Wash away the hurt, give me inspiration  
Open up a window to a view of something beautiful  
Can you protect me?  
I need your words now  
My head is filled with doubt,  
tell me it'll be alright  
Can you protect me?  
My hearts' on lockdown  
It's a lonely road and I'm too drunk to drive  
Can you protect meeeeeee?  
Oh, tell me I'm not crazy  
Tell me that I'm beautiful  
Tell me that you'll carry me home when I fall  
Can you protect me?  
I need your words now  
My head is filled with doubt,  
tell me it'll be alright  
Can you protect me?  
My hearts' on lockdown  
It's a lonely road and I'm too drunk to drive  
Can you protect me?  
Ooooooooooooh  
Can you protect me?  
So, you should stay the night with me
