

# Nasri, Nasri- Go

Can't believe I'm running into you  
Haven't seen you since the days of high school  
You're the one who always got away  
Man this must be my lucky day  
Girl, you're looking as fine as ever  
How I wish that we could be together  
So here's what I'm gonna do  
I'ma have to say goodbye to you

So go, I'm not beggin' you to stay  
Cus I got this funny feelin' I'll be seeing you someday  
That's right go, I'm telling you to walk away  
Cus I know somewhere down the line I'll be, I'll be seeing you babe

Now you're looking at me funny, baby I ain't messin'  
Call your daddy let me ask him for his blessin'  
Cus next time we meet we'll be on different grounds  
Need a church, dress, tux, and some wedding vows  
Singing: Here comes the bride (so beautiful)  
All dressed in white

Now, go I'm not beggin' you to stay  
Cus I got this funny feelin' I'll be seeing you someday  
That's right go, I'm telling you to walk away  
Cus I know somewhere down the line I'll be, I'll be seeing you babe

Cus I know this might seem crazy, leaving you babe when there's so much more to say  
But when the heavens decide to give us a try we'll be starting a family  
Oh' And I'm thinkin' two babies, Josh and Kailie, and a house upon the bay  
We'll be best of friends, til the end, and baby I'ma promise I'ma see you again

So go, I'm not beggin' you to stay  
Cus I got this funny feelin' I'll be seeing you someday  
That's right go, I'm telling you to walk away  
Cus I know somewhere down the line I'll be, I'll be seeing you babe

I can't believe it (repeating)

When I find you again I'll never let you go
