Down for yours if you're down for mine
Oooh oooh oooh hey yea la da da
Down for yours if you're down for mine

No doubt that I'll be good to you
I like a girl that always gots my back
Whenever I need her she'll be standing with her man
If you're down to represent and put your trust in me
Ain't scared of no guns and let me run the street
Let me do what I gotta do and show you I'm fine
Love ain't blind, it's just that hook-ups take time
They gots to have ends or a place to live
Smokin fat phillys I'm still down wit you kid
So if you want it come and get it and don't take too long
'cause in the valley of AZ landing fly females ain't hard
So come and take a ride and if you swing to this bounce
Room six o deuce that's what I'm all about
Fulfill your fantasies and all of your desires
Lay back, pop the top up and let me take you higher

Design for the masses, your sport clashes
Hazardous to the health of all men

Is being right so wrong you never need correction
Most definitely, you get the best of me at times

So what it be, I'm down for whatever you need
Just me and you hand in hand roamin thru ecstasy
