Verse 2

Even through these hard times we continue to face, It's like deep inside of me you could never be replaced, Like when we struggle we get tested in faith, But you been strong and stood by me every step -of-the-way,

I thank the lord for the day he brought you into my life.

Changed my world -my destiny - and gave me new life, So if you got somebody special - that's always been true.

Show love and take note in everything that they do, I could neva take for granted what she's done for me, Even when we desagree she still stands by me, Late night - road trips- showin' mad support, The typa-girl-that every homie should be keepin ' close,

'cause your that type-a-girl that neva let me down, Encouraged me to see the light when no one else would come Around, down when I had money- and down when I was broke, So if I die tonight hold me tight and don't let go!

Chorus
