

Nasty Boy Klick, Lost In Love

How ya doin sweetheart?

Heya, you know these last few months weve been together
Happened so right and Im just so happy for what we shared
Ive been wonderin...how do you feel?

I wanna get lost in love with you
And do all the things you want me to
Caress your body touch your soul
Cuz boy I love you so
(repeat)

The love we shared something so especial
Estar contigo is all I wanna do every night
Ever since el primer dia, the first day
I knew itd last forever if I had it my way
So the days go on, no hago otra cosa
But dream about the moment, our hearts will come closer
Holdin tu mano in your face tan bonita
Never met another young lady senorita
And that is why I gotta say that youre the best
A millon and one ways just to express
Mi amor I know that we will be together
So, sing to me, baby, and sing forever

I wanna be with you always
Together forever til our ending days
Hold me baby dont let go
Makin love like never before
(repeat)

Makin love in the night time, walks and romance
Im telling you, hermosa, my heart is in a trance
They say that true love is so hard to find
I thank the man up above for makin you mine
Talkin on the telephone, sendin you kisses
A dozen of roses just to say that I am missin
The warmth of your body right next to mine
Ere es tu la mejor like a toast of fine wine
Out to the movies, maybe sharing some ice cream
Si estoy dormido, dont wake me from my dream
Todo lo que quiero, all I need is your affection
My life was fine but you brought profection
Now we sit here just holdin hands
Whispers in my ear tell me that Ill be your man
Today, manana in a paradise for two
I feel the same way cuz Im so in love with you

I love the way you make me feel
My love for you is all so real
Embrace my body, touch me softly
Love me til the morning
(repeat)

You know that love we shared is just something so special
I just dont know what to say, girl
Would you sing to me one more time?
Do it like this, cmon

I wanna get lost in love with you
And do all the things you want me to
Caress your body, touch your soul
Cuz boy I love you so
I wanna be with you always
Together forever til our ending days

Hold me baby, dont let go
Makin love like never before
