

# Nasty Boy Clique, I Wanna Love You

If I tell you that I love you  
and I put my trust in you  
if I say that every minute  
all I do is think of you  
will you do the same for me(yea)  
are you really down for me (you know I'm down girl)  
let me know just how you feel  
and would you give it all for me

Uh  
check this out  
how would you feel if I told you  
all I ever do is reminisce  
of the times that I spent with you  
rollin through the park  
on a Sunday afternoon  
dedicatin slow songs  
to say that I love you  
it's for my honey with the pretty brown eyes  
never giving up on me  
never telling lies  
making promises  
together we ride  
I put this one on everything  
I'm glad she's mine  
and I love it when we're all alone  
never miss a beat  
when the slow jam's on  
baby girl please understand  
I wanna be the only one  
to ever hold your hand yea  
and show me that you're down for mine  
keep my reservation till the end of time  
you're like a treasure  
I was blessed to find  
my precious one  
and I'ma love you for life

Chorus  
I wanna love you  
like you've never been loved  
I wanna rub you  
like you've never been rubbed  
but I got another dude  
baby tell me how you feel  
if I change my world for you  
are you feeling me too

Hey girl  
I'll never leave you  
a perfect man is what you need  
there's no such thing  
so I'll do anything to please you  
I know you want me girl  
and I want you too  
feels just like a dream  
just to be here with you  
I would drop any second  
just to think you'll be gone  
livin a lonely life  
I just couldn't go on  
I fell lost in love  
from the first time we met  
you were so down for mine

you showed me much respect  
I know it's hard to have a nasty boy like me  
you know you had a choice  
and who you liked was me  
sometimes I wish this world  
was just me and you  
my love is unconditional  
best believe is true  
thank the Lord everyday  
for connecting us two  
so tell me baby girl  
what you wanna do  
I'm that one second to none  
show much love to you  
they wanna know how I'm rollin  
I'm rollin with you yea

#### Chorus

You know I'm feeling you girl  
I just can't lie  
things wouldn't be the same  
without you by my side  
I loose my mind  
everytime you come around  
and I'm gonna do whatever  
just to prove that I'm down  
you broke my game  
and set new rules  
and all I wanna do  
is just rock with you  
come on  
don't be afraid  
cuz I'ma take my time  
and before the night is over  
we gon be just fine

#### Chorus 2x
