

Nasty Boy Clique, Lost In Love

How ya doing sweetheart?

Heya, you know these last few months we've been together
Have been so right and I'm just happy for what we shared
I've been wonderin' . . . how do you feel?

I wanna get lost in love with you (Oh, Yeah)
And do all the things you want me to
Caress your body, touch your soul
Cuz boy I love you so (And I Love You Too baby)
(repeat)

The love we shared something so especial
Estar contigo is all I wanna do every night
Ever since el primer día, the first day
I knew it'd last forever if I had it my way
So the days go on, no hago otra cosa
But dream about the moments, our hearts will come closer
Holding tu mano and your face tan bonita
Never met another young lady se'orita
And that is why I gotta say that you're the best
A million and one ways just to express
Mi amor, I know that we will be together
So sing to me baby, and sing forever

I wanna be with you always
Together forever 'til our ending days
Hold me baby don't let go
Makin' love like never before
(repeat)

Makin love in the night time, walks and romance
I'm tellin' you, hermosa, my heart is in a trance
They say that true love is so hard to find
I thank the man up above for makin' you mine
Talkin' on the telephone, sendin' you kisses
A dozen of roses just to say that I missin'
The warmth of your body right next to mine
Eres tu la mejor like a toast of fine wine
Out to the movies, maybe sharin' some ice cream
Si estoy dormido, don't wake me from my dream
Todo lo que quiero, all I need is your affection
My life was fine, but you brought perfection
Now we sit here, just holdin' hands
Whisper in my ear, tell me that I'll be your man
Today, ma'ana in a paradise for two
I feel the same way cuz I'm so in love with you

I love the way you make me feel
My love for you is oh so real
Embrace my body, touch me softly
Love me 'til the morning
(repeat)

You know that love we shared is just something so special
The tenderness,
I just don't know what to say girl
would you sing to me?
one more time
Do it like this, come on

I wanna get lost in love with you
And do all the things you want me to
Caress your body, touch your soul
Cuz boy I love you so

I wanna be with you always
Together forever 'til our endin' days
Hold me baby, don't let go
Makin' love like never before
