

# Nasty Savage, Dungeon Of Pleasure

Step into my parlor  
Said the spider to the fly  
Hollywood fashion model  
You are my prize  
Aggressive airline hostess  
College cheerleader  
Wealthy old women  
Demanding and bizarre

Forbidden techniques  
It's just what they seek  
Fantasy lane  
Dominance submission  
Handcuffs-chains  
Bondage-pain  
Leather devices  
It's not all the same

Dungeon of pleasure  
Dungeon of pleasure  
Excitement soaring, lustfully  
Dungeon of pleasure  
Dungeon of pleasure  
Command performance fantasy

You blaze with acceptance  
As heat begins to rise  
Passion in the dungeon  
I hear your desperate cries

Step into the real world  
Where pain and pleasure mix  
Ultimate excitement  
As you play your trick

The bitch is bound and helpless  
She's screaming for more  
That sweet and innocent girl  
Is really hardcore  
Her obsession for pain  
Makes me bite my lip  
As she eagerly indulges  
I give her the whip
