

# Nasty Savage, Stabbed In The Back

(Music - Ben)

(Lyrics - Ben)

Living for the unknown  
Only searching for trouble  
Cheating and stealing from your best friend  
No more job, all you do is no good

Running from the police  
For stealing a car  
Mug a lady of a hundred and five  
That only has a dime

Who's the next victim-stabbed in the back  
Terror, doom, destruction-stabbed in the back  
Misleading lies-stabbed in the back  
Who's the next victim-stabbed in the back

(SOLO-Ben)

Evil thoughts cross your mind  
As you buy a gun  
Rob a supermarket  
Leaving no visible trail  
Shoot and kill a man  
For a twenty dollar bill

Causing misgrief to all the women you meet  
Don't even know who's your son  
Giving blood as a donor  
Knowing that you have AIDS  
Always think you're right  
But you're really wrong

Living for the unknown  
Only searching for trouble  
Cheating and stealing from your best friend  
No more job, all you do is no good

Parents don't want you  
Pay for you to leave the house  
Frustrations grow stronger  
These past few days

Who's the next victim-stabbed in the back  
Terror, doom, destruction-stabbed in the back  
Misleading lies-stabbed in the back  
Who's the next victim-stabbed in the back
