

# Nasum, Deleted Scenes

Surprise, surprise  
Now you see through all the lies  
It is there before your eyes  
The degradation of human lives

Is truth on display  
In papers and on the news today?  
Is everything OK?  
Hardly it's all just a fucking play!

What you see is their final cut  
Real life censored shot by shot  
So realise that truth is hacked up by knives

Do you trust the news?  
Do you buy their made up views?  
Let me ask you: what's the use  
Of a media you cannot choose?

Hail to the TV-screen!  
So many truths to choose between  
All the blood and all the screams  
Collected as deleted scenes
