

# Nasum, Violation

(Music & lyrics: Anders Jakobson)

Go ahead; serve the violation  
Take a part, of the exploitation

It feels so good, to profit from death  
It feels so good, their skin and flesh

Blood flow, cash flow  
Welcome to a rotten show  
- Experience the brutality

Violate, vile hate  
Your actions are hard to contemplate  
- Breeding the mortality

Violate, the innocent  
Money earned, lives are spent
