

# Nasum, Youre Obsolete

Stare me in my eyes and tell me that you don't care  
Try to convince me that you will not try to change  
You are nothing - you're obsolete  
You are really nothing - you're disposable  
All the work and no play will surely make you numb  
But endless wandering isn't the solution  
You are nothing - you're obsolete  
You are really nothing - you're disposable  
All the work and no play will surely make you numb  
You are - nothing!  
Endless wandering isn't the solution  
You are - nothing!
