

# Nat King Cole, He Who Hesitates

(dorothy wayne, ray rasch)

He who hesitates  
When it comes to love  
He will never know  
The wonder of it all.  
A kiss -- a sigh,  
You'll never know  
If you don't try.

He who hesitates  
When her eyes say yes,  
Just how much you've missed  
You will never guess.

Your chance  
Goes by  
And it's too late  
To wonder why.

Dreams cannot replace  
The wonder of her smile.  
The warmth of her embrace,  
Don't let it  
Escape you.

When you fall in love  
And you feel the glow,

Take her in your arms  
Never let her go.  
Don't be  
The one  
To hesitate with love.

~interlude~

A kiss -- a smile  
You'll never know  
If you don't try.

When you fall in love  
And you feel the glow,  
Take her in your arms  
Never let her go.  
Don't be  
The one  
To hesitate...

Don't be  
The one  
Who hesitates...

Don't be  
The one  
Who hesitates...  
With love.
