

Nat King Cole, Just For The Fun Of It

Just for the fun of it
Just to be gay
You made me care for you
Then you went away
I ask you was it fair when I was fancy free?
To make me fall for you then make a fool out of me?

Just for the fun of it
Just for a thrill
You said goodbye to love
But I never will

You may be sorry when we're far apart
Then just for the fun of it you broke my heart

(interlude)

Just for the fun of it
Just for a laugh
You made goodbye to love my heart's epitaph
You may be sorry when we're far apart
Then just for the fun of it you broke my heart
