

Nat King Cole, Let's Face The Music And Dance

there may be trouble ahead,
but while theres moonlight and music and love and romance,
let's face the music and dance.

before the fiddlers have fled,
before they ask us to pay the bill,
and while we still have the chance,
let's face the music and dance.

soon, we'll be without the moon,
humming a different toon,
and then, there may be tear drops to shed.
so while theres moonlight and music and love and romance,

let's face the music and dance.
let's face the music and dance,

(musical break)

soon, we'll be without the moon,
humming a different toon,
and then, there may be tear drops to shed.
so while theres moonlight and music and love and romance,
let's face the music and dance,
let's face the music and dance.
