I used to walk with you  
Along the avenue  
Our hearts were carefree and gay  
How could I know I'd lose you  
Somewhere along the way?

The friends we used to know  
Would always smile "Hello";  
No love like our love they'd say  
Then love slipped through our fingers  
Somewhere along the way

I should forget  
But with the loneliness of night I start remembering ev'rything  
You're gone and yet  
There's still a feeling deep inside  
That you will always be part of me

So now I look for you  
Along the avenue  
And as I wander I pray  
That some day soon I'll find you  
Somewhere along the way

I should forget  
But with the loneliness of night I start remembering ev'rything  
You're gone and yet  
There's still a feeling deep inside  
That you will always be part of me

So now I look for you  
Along the avenue  
And as I wander I pray  
That some day soon I'll find you  
Somewhere along the way  
Somewhere along the way
