The party's over

It's time to call it a day

They've burst your pretty balloon

And taken the moon away

It's time to wind up the masquerade

Just make your mind up the piper must be paid

The party's over

The candles flicker and dim

You danced and dreamed through the night

It seemed to be right just being with him

Now you must wake up, all dreams must end

Take off your makeup, the party's over

It's all over, my friend

&lt;instrumental 'the party's over'&gt;
