

Nat King Cole, There's A Lull In My Life

(M. Gordon, H. Revel)

Oh...there's a lull in my life.
It's just a void, an empty space,
When you are not in my embrace.

Oh...there's a lull in my life.
The moment that you go away,
There is no night, there is no day.

The clock stops ticking,
The world stops turning.
Everything stops
But that flame in my heart
That keeps burning...burning...

Oh...there's a lull in my life.
No matter I may pretend,
I know that you alone can end
The ache in my heart,
The call of my arms...
The lull in my life.
