

Nat Stuckey, Always Late (With Your Kisses)

Always late mhm with your kisses

Baby won't you come to my arms sweet darling and stay

Always late mhm with your kisses oh why oh why do you want to do me this way

How long do you think I can wait when you know you're always late

Always late mhm with your kisses oh why oh why do you want to do me this way

[harmonica]

How long do you think...
