

Nat Stuckey, Is It Any Wonder That I Love You

Is it any wonder that I love you is it any wonder that I feel the way I do
There's been times when life's been rough we've just barely had enough
The clothes we wore were far from being new
But you never asked for anything you just held on and shared my dream
So is it any wonder I love you
Is it any wonder that I love you is it any wonder that I feel the way I do
When I thought I couldn't win you gave me strenght to try again
Is it any wonder I love you
(steel)
Is it any wonder that I love you is it any wonder that I feel the way I do
What I am I couldn't be if you hadn't stayed with me is it any wonder I love you
Is it any wonder I love you
