

# Nat Stuckey, Loving You

I will spend my whole life through loving you oh loving you  
Winter summer springtime too loving you loving you  
Makes no difference where I go or what I do you know that I'll always be loving you  
And if I'm seen with someone new oh don't be blue please don't be blue  
Cause I'll be faithful I'll be true always true true to you  
There is only one for me and you yes you know who  
You know that I'll always be loving you  
There is only one for me you know who yes you know that I'll always be loving you
