

Nat Stuckey, She's All I Got

Friend don't take her she's all I got please don't take her love away from me
I'm beggin' you friend don't take her she's all I got
She's everything in life I'll ever need

She is life when I wanna live she's everything to me in life that life can give
She's my water when I need to drink
She's the first thought in my mind each time I try to think
And I'm a sayin' now friend...

Cause she's my fingers when I want to feel
She's the only thing in life to me that's really real
She is love she's all the love I know
She can kiss the ground in the wintertime and make the flowers grow
Better listen now friend...
Better hear me now friend don't take her she's all I got
Well better listen now friend don't take her she's all I got
Listen closely to me friend don't take her she's all I got
