

Nat Stuckey, These Eyes

These eyes cry every night for you these arms long to hold you again
The hurtin's on me yeah now I know I'll never be free no no baby
You gave a promise to me yeah you broke it oh you broke it
These eyes watched you bring my world to an end
This heart could not accept then pretend
Oh the hurtin's on me yeah now I know I know I'll never be free from you baby
You took the vow with me oh yeah you spoke it oh you spoke it
These eyes are crying these eyes have seen a lottla love
But they're never gonna see another one like I had with you
These eyes are crying...
These eyes are crying...
These eyes cry every night for you these arms long long to hold you again
These eyes are crying...
These eyes are crying...
These eyes are crying...
