

Nat Stuckey, What's Made Milwaukee Famous

It's late and she is waiting and I know I should go home
But everytime I start to leave they play another song
Then someone buys another rouns and whenever drinks are free
What's made Milwaukee famous has made a loser out of me
Baby's begged me not to go so many times before
She says that love and happiness can't live behind those swinging doors
Now she's gone and I'm to blame too late I finally see
What's made Milwaukee famous has made a loser out of me
[harmonica]
My baby's begged me not to go...
What's made Milwaukee famous has made a loser out of me
