

Nat Stuckey, Young Love

[Both]

They say for every boy and girl there's just one love in this old world
And I know I've found mine
The heavenly touch of your embrace tells me no one can take your place
Ever in my heart
Young love first love filled with true devotion
Young love our love we share with deem emotion

[ac.guitar]

Just one kiss from your sweet lips will tell me that your love is real
And I can feel that it's true
We will vow to one another that there'll never be any other
Love for you or for me
Young love first love...
