## Natalia, For Once In My Life

For once in my life
I wont let sorrow hurt me
Not like it's hurt me before
For once I have something I know won't desert me
I'm not alone anymore
For once I say
This is mine you can't take it
As long as I know I have love I can make it
For once in my life
I have someone who needs me

for once in my life
I have someone who needs me
Someone I've needed so long
For once unafraid
I can go where life leads me
Somehow I know I'll be strong
For once I can touch
What my heart used to dream of
Long before I knew

Oh someone warm like you Would make my dreams come true Yeah yeah, yeah

For once in my life
I wont let sorrow hurt me
Not like it's hurt me before
For once I have something I know won't desert me
I'm not alone anymore
For once I say
This is mine you can't take it
As long as I know I have love I can make it
For once in my life
I have someone who needs me

For once in my life
I won't let sorrow hurt me
Not like it's hurt me before
For once I have something I know won't desert me
I'm not alone anymore
For once I say
This is mine you can't take it
As long as I know I have love I can't take it
For once in my life
I have someone who needs me

For once in my life
