

# Natalia Kukulska, We'll Be Together

Every day I keep on groovi'n  
Still I'm thinking of  
Of a way not to be moovi'n  
Spend my life by being on the road  
But I still can't find a place  
Where I could go

I keep on trying  
To find a way  
To get out of the pressure I'm in  
Every day  
Now it seems that I  
Will never be the same  
Cause I have to face the fact  
That live is no game

Wherever I go I know for sure  
There's no other place like home  
I feel so good inside when I'm with you  
That's where I wanna stay

We will be together  
Day by day  
We will be together  
Any way  
We will be together  
Side by side  
Together at home  
You and I

Different faces all around me  
Thinking of the time  
When you laid yourself beside me  
Every night I'm laying in my bed  
Hoping there's another chance for me to stay

We will be together  
Day by day  
We will be together  
Any way  
We will be together  
Side by side  
Together at home  
You and I
