

Natalia 'Natu' Przybysz, Easy and Sweet

Singing is a beautiful blessing
It's being the most wonderful lesson too
It teaches me 'bout joy and creation
Requires some courage to let it go
But it's just a part of it
I want to be
Easy and sweet
Steady and clear
That's how it makes me feel
Easy and sweet
Steady and clear
That's what I want to be
So let me introduce
myself to myself again
'cause when I perceive
My voice I'm always amazed
So good to know that lovely lady
Now that she can- she can save me.
So just be easy and sweet
I know that You're surprised
to see me in Opera House
Singing, looking glamorous in solo parts
Dreams are always 'bout my voice
Wish that someday
I'll sing my song to the world
Easy and sweet
Steady and clear
That's what I want to be
Easy and sweet
Steady and clear
That's what I hope to be
