

# Natalia Oreiro, United by love (Russia 2018)

find your way  
never lose your faith  
y levantate otra vez  
nunca dejes de creer

in this world  
la illusion  
no va a caer  
love will always take the throne  
we are united by one love

s chesta iu pod  
y ediny m nje b om  
provuch at napevom  
golasa vse h stran  
toda Rusia se ilumina  
llena de alegria  
it's your time to rise!  
podnimize ruki vverh!  
Put your hands up  
come on show your spirit  
Asi es la magia del mundial  
everyone around the world can feel it  
make it the best game of your life

que la paz sea nuestra bandera  
no hay fronteras  
lets unite  
hoy ganamos todos, somos uno  
United by love

un sueno se convierte en realidad  
nothing can stop you  
reach up for the stars  
believe it, hey!  
you got to keep the fight

s chesta iu pod  
y ediny m nje b om  
provuch at napevom  
golasa vse h stran  
toda Rusia se ilumina  
llena de alegria  
it's your time to rise!  
podnimize ruki vverh!  
Put your hands up  
come on show your spirit  
Asi es la magia del mundial  
everyone around the world can feel it  
make it the best game of your life

que la paz sea nuestra bandera  
no hay fronteras  
lets unite  
hoy ganamos todos, somos uno  
United by love
