

# Natalia Safran, Daylight

Daylight  
Sometimes  
Daylight  
It's much to hard  
Daylight  
Daylight  
Some times  
Daylight  
Shines the light too bright

Undercover of the day  
I dream on the  
I feel  
It's on me  
When the day shat  
..  
Like a washes all up

Daylight  
Sometimes  
Daylight  
There's no friend of mine  
It's just no friend of mine

Daylight  
Daylight  
Some times  
Daylight  
Shines the light too bright

Undercover of the day  
I dream on the  
I dream on the  
I feel  
It's on me  
When the day shat  
..  
Like a washes all up

I want to forget about times  
When your hands not holding mine  
...  
See so clear  
Why you're no longer here
