

# Natalia Siwiec, Schocked

Come on girl let me show how you singing

Memorizing my body  
Thinking about the way he moves it  
Thinking charm all around  
Watching him in the corner as he walks

Think of me  
Patronize, in his lies  
In about tonight  
He can make it  
Think about it, cause  
When he comes around me  
I get schocked  
Oh, I get schocked tonight
