

Natalie Bassingthwaighte ft. Shannon Noll, Don't

In this proud land we grew up strong
We were wanted all along
I was taught to fight, taught to win
I never thought I could fail
No fight left or so it seems
I am a man whose dreams have all deserted
Ive changed my face, Ive changed my name
But no-one wants you when you lose
Dont give up
Cause you have friends
Dont give up
Youre not beaten yet
Dont give up
I know you can make it good
Though I saw it all around
Never thought that I could be affected
Thought that wed be last to go
It is so strange the way things turn
Drove the night toward my home
The place that I was born, on the lakeside
As daylight broke, I saw the earth
The trees had burned down to the ground
Dont give up
You still have us
Dont give up
We dont need much of anything
Dont give up
Cause somewhere theres a place
Where we belong
Rest your head
You worry too much
Its going to be alright
When times get rough
You can fall back on us
Dont give up
Please dont give up
Got to walk out of here
I cant take any more
Going to stand on that bridge
Keep my eyes down below
Whatever may come
And whatever may go
That rivers flowing
That rivers flowing
Moved on to another town
Tried hard to settle down
For every job, so many men
So many men no-one needs
Dont give up
You still have us
Dont give up now
Were proud of who you are
Dont give up
You know its never been easy
Dont give up
Cause I believe theres a place
Theres a place where we belong
