

Natalie Browne, Love Fool

Dear I fear we're facing a problem
You love me no longer I know and
Now nothing I can do
To make you stay
Mama tells me I shouldn't bother
That I ought to stick to another man
A man who surely deserves me
but I think you do
So I cry and I pray and I beg

Love me love me
Say that you love me
Fool me fool me
Go on and fool me
Love me love me
Pretend that you love me
Leave me leave me
Just say that you need me
Love me love me
Say that you love me
Fool me fool me
Go on and fool me
Love me love me
Pretend that you love me
Leave me leave me
Just say that you need me

I don't care 'bout anything but you
Lately I had desperately pondered
Spent my nights awake and I wondered
What I could have done in another way
To make you stay
Reason will not lead to solution
I will end up lost in confusion
I don't care if you really care
As long as you don't go
So I cry and I pray and I beg

Love me love me
Say that you love me
Fool me fool me
Go on and fool me
Love me love me
Pretend that you love me
Leave me leave me
Just say that you need me
Love me love me
(Say that you love me)
Fool me fool me
(Go on fool me)
Love me love me
(I know that you'll leave me)
Leave me leave me
(Just say that you need me)

Anything but you
Anything but you
Anything but you
Anything but you
Anything but you
Anything but you
Anything but you
Anything but...
