

# Natalie Browne, You Pierced My Soul

Sometimes I feel like  
I&#039;m standing naked before you  
Even though I&#039;m fully clothed  
Do you know what it feels like  
To have someone staring inside you  
Someone you barely know  
And that someone can look inside your soul  
And face you with your deepest fears  
You&#039;ve seen what no one else has seen  
What is it that you want me to feel?  
And I have never known a feeling such as this  
And it doesn&#039;t take a touch  
Not even a simple kiss  
What is it that you are doing to me?  
What is it that you&#039;re trying to make me see?

Chorus:  
You pierced my soul  
Now I am aware  
I&#039;m not fully whole  
I can&#039;t deny  
Something inside  
I&#039;ve yet to find  
Your eyes have made me aware  
Now I have no control  
Because you, because you pierced my soul

And it&#039;s not even a sexual thing you do  
It&#039;s something that I can&#039;t describe  
And even though I feel scared inside  
Somehow you make it all alright  
And I know it&#039;s going to be a journey  
And the pain is just a part of it all  
But I think that you will be there for me  
If somehow I start to fall  
And I have never known a feeling such as this  
And it doesn&#039;t take a touch  
Not even a simple kiss  
What is it that you are doing to me?  
What is it that you&#039;re trying to make me see?
