

# Natalie Browne, You're So Good To Me

You're the sunshine in my day  
So excited by your moves  
By your every way  
But I can't seem to find the perfect way  
To say I want your love with me every day

Chorus:

You're so good to me baby  
Wanna tell you that lately  
Can't seem to get you out of my mind  
You're so good to me baby

You're the moonlight in my night  
My heart's been acting crazy  
And my tongue is playing lazy  
I'm positive that this love is so right  
Gotta find a way to tell you  
That I am yours tonight

Bridge:

Gotta find a way to tell you  
That I want us to be forevermore  
No Just can't help it, baby  
&#039;Cuz my heart's begun to soar  
You, You've been so good to me  
And I, been thinking about ya lately
