

Natalie Cole, Christmas Waltz

Frosted window panes
Candles gleaming inside
Painted candy canes on the tree
Santa's on his way
He's filled his sleigh with things
Things for you and for me

It's that time of year
When the world falls in love
Every song you hear seems to say
"Merry Christmas, May Your New Year Dreams Come True"
And this song of mine in three-quarter time
Wishing you and yours the same thing too

Happy holidays there is snow in the air
Silver bells and sleighs everywhere
People that you meet on any street will smile
Tis the seas to care

There are songs to sing
Every family's a choir
Toys to wrap and bring to the tree
Your own wishing star is not so far from view
Wish a wish or two and I promise you
Christmas wishes can and do come true
