

Natalie Cole, Good Morning Heartache

Written by Drake-Higginbotham-Fisher

Woh, woh, ha, yeah, hmm---, oh

Good morning headache, you old gloomy site

Good morning headache

Thought we said goodbye last night

I tossed and turned until it seemed that you had gone

But here you are with the dawn

Hoo, wish I'd forget you, but you're here to stay, yeah

It seems I met ya, when my love had gone away

I start each day out just by saying to you

Good morning headache, what's new

Stop haunting me now, can't shake you no how

Why don't you just leave me alone

I've got those Monday blues

those straight through Sunday blues

Oh, good morning headache, here we go

Here we go, here we go again, well

Good morning headache

You're the one who knew me when

I guess I might as well get used to you hanging around

Good morning headache, I see you're back in town

Good morning headache, why don't ya sit on down, sit down -----
