

Natalie Cole, Good Morning Heartache

Written by Drake-Higginbotham-Fisher

Woh, woh, ha, yeah, hmm---, oh

Good morning heartache, you old gloomy site

Good morning heartache

Thought we said goodbye last night

I tossed and turned until it seemed that you had gone

But here you are with the dawn

Hoo, wish I'd forget you, but you're here to stay, yeah

It seems I met ya, when my love had gone away

I start each day out just by saying to you

Good morning heartache, what's new

Stop haunting me now, can't shake you no how

Why don't you just leave me alone

I've got those Monday blues

those straight through Sunday blues

Oh, good morning heartache, here we go

Here we go, here we go again, well

Good morning heartache

You're the one who knew me when

I guess I might as well get used to you hanging around

Good morning heartache, I see you're back in town

Good morning heartache, why don't ya sit on down, sit down -----
