

# Natalie Cole, Grown-Up Christmas List

Music by David Foster

Lyrics by Linda Thompson

Do you remember me

I sat upon your knee

I wrote to you

With childhood fantasies

Well, I'm all grown up now

Can you still help somehow

I'm not a child

But my heart still can dream

So here's my lifelong wish

My grown-up Christmas list

Not for myself

But for a world in need

No more lives torn apart

That wars would never start

And time would heal all hearts

Every man would have a friend

That right would always win

And love would never end

This is my grown-up

Christmas list

What is this illusion called

The innocence of youth

Maybe only in their blind belief

Can we ever find the truth

There'd be no more lives torn apart

And wars would never start

And time would heal all hearts

Every man would have a friend

And right would always win

And love would never end

This is my grown-up Christmas list

This is my only lifelong wish

This is my grown-up Christmas list

Hoo---, hoo--
