

Natalie Cole, Mona Lisa

Mona Lisa, Mona Lisa men have named you

You're so like the lady with the mystic smile

Is it only cause you're lonely they have blamed you

For that Mona Lisa strangeness in your style

Do you smile to tempt a lover Mona Lisa

Or is this your way to hide a broken heart

Many dreams have been brought to your door step

They just lie there and they die there

Are you warm? Are you real Mona Lisa?

Or just a cold and lonely, lovely work of art

- Musical Interlude -

Do you smile to tempt a lover Mona Lisa

Or is this your way to hide a broken heart

Many dreams have been brought to your door step

They just lie there and they die there

Are you warm? Are you real Mona Lisa?

Or just a cold and lonely, lovely work of art
