

Natalie Cole, This Will Be (An Everlasting Love)

This will be an everlasting love
This will be the one ive waited for
This will be the first time anyone has loved me.
I'm so glad you found me in time
And Im so glad that recrefied my mind
This will be an everlasting love for me
Loving you is some kind of wonderful
Because you showed me just how much i care
You've given me the thrill of a lifetime
And made me belive you've got more thrills to stand on
This will be an everlasting love
You brought a lot of a sunshine in to my life
You filled me with happiness i never knew
You gave me more joy then i ever dreamed of.
And know one know one can take the place that you have.
This will be, you and me, yes siree eternally
Hugging and squeezing,
Kissing and pleasing,
Together forever throughever whatever.
Yeah yeah yeah you and me
So long as i'm living true love i'll be giving
To you i'll be serving cause you're so deserving
Hey, you're so deserving, you're so deserving
yeah yeah yeah Whooooaaah
Love love love love
From now on
