Natalie Cole, We're The Best Of Friends

When you're the best of friends Having so much fun together You're not even aware, you're such a funny pair You're the best of friends

Life's a happy game You could clown around forever Neither one of you sees, your natural boundaries Life's one happy game

If only the world wouldn't get in the way
If only people would just let you play
They say you're both being fools
You're breaking all the rules
They can't understand, the magic of your wonderland
Hu-hu-hu

When you're the best of friends
Sharing all that you discover
When that moment has past, will that friendship last?
Who can say? There's a way!
Oh I hope... I hope it never ends
'Cause you're the best of friends
