## Natalie Grant, When God Made You

(Verse 1)

Its always been a mystery to me How two hearts can come together And love can last forever But now that I have found you, I believe That a miracle has come When God sends the perfect one Now gone are all my questions about why And Ive never been so sure of anything in my life

(Chorus) I wonder what God was thinking When He created you I wonder if He knew everything I would need Because He made all my dreams come true When God made you He must have been thinking about me

(Verse 2) I promise that wherever you may go Wherever life may lead you With all my heart III be there too From this moment I want you to know III let nothing come between us And I will love the ones you love Now gone are all my question about why And Ive never been so sure of anything in my life

(Repeat Chorus)

(Bridge) He made the sun He made the moon To harmonize in perfect tune One cant move without the other They just have to be together And that is why I know its true Youre for me and Im for you Cause my world just cant be right Without you in my life

(Repeat Chorus)

(Tag) He mustve heard every prayer Ive been praying Yes He knew everything I would need When God made you When dreams come true When God made you He mustve been thinking about me
