

Natalie Imbruglia, Counting Down The Days

You were right
And I dont wanna be here
If your gonna be there
Was that supposed to happen
Ill hold tight
Ill remember to smile
Though it has been a while
And without you does it matter
Theres no room
No place to start
When our souls are apart
I wanna travel through time
See your surprise
Hold you so tight
Im counting down the days tonight
I just wanna be a million miles away from here
Im counting down the days
Howve you been
Its just the usual here
And days are feeling like years
And every days without you
Now I cry
Just a little too much
When I think of your touch
And everything about you
I feel cold
Im in the dark
When our souls are apart
I wanna travel through time
See your surprise
Hold you so tight
Im counting down the days tonight
I just wanna be a million miles away from here
I wanna travel through time
See your surprise
Hold you so tight
Im counting down the days tonight
I just wanna be a million miles away from here
Im counting down the days
Im counting down the days
Im counting down the days
Im gonna be your surprise
Im gonna hold you so tight
Yeah
I wanna travel through time
See your surprise
Id hold you so tight
Im counting down the days tonight
I just wanna be a million miles away from here
I wanna travel through time
See your surprise
Id hold you so tight
Im counting down the days tonight
I just wanna be a million miles away from here
A million miles away from here
