

Natalie London, Thea

Thea I know you say never to say sorry and I try
Well I spoke to your father he said you spoke highly of me and he wouldn't mind
So Thea drive me just say some day you'll come with me anywhere you choose
I don't care I must tell you

Thea I know you say never to say sorry
But I can't even look at you
'Cause some things are too beautiful
That they will hurt your eyes
Some things are too beautiful
That they will hurt your eyes
And you're too beautiful
That it just hurts my eyes
Hurts my eyes

Thea I know you say never to say sorry and I will do my best
For you well I'd put money down on time
Like you try to stay up all night with me
You close your eyes but love to swear you're not asleep
And in some ways I am believed

'Cause some things are too beautiful
That they will hurt your eyes
Some things are too beautiful
That they will hurt your eyes
And you're too beautiful
That it just hurts my eyes
But I'll still try
Well I'll still try

I will still try
So don't you worry 'bout a thing
I swear I'm not asking a thing of you
Except to know I'll always love you
I will
Don't you worry 'bout a thing
I swear I'm not asking a thing of you
Except to know I'll always love you
I will
Don't you worry 'bout a thing
I swear I'm not asking a thing of you
Except to know I'll always love you
I will
Don't you worry 'bout a thing
I swear I'm not asking a thing of you
Except to know I'll always love you
I will
