

# Natalie Pastrana, The Broken One

when you are lonely, you are vulnerable,  
cuz the pain it cause is incredible,  
that your soul cant take it much more  
how can i ask you please not to love now.

please try to understand what the time has done  
with me,  
my heart is frozen you cant warm it up anymore  
please i am so afraid of being loved.

chorus 1

dont reach my hand when i ask to  
help out of hell im living on  
help to live again and see im wrong  
dont cry for me is not worth it  
try to understand im not the one  
lets not make this so difficult for both.

is it my heart?  
its not alive,  
is it my heart  
that cant let you hide.

why are my wounds so deep  
you can come and see how im dying  
go to the farrest place to conceive my day and start crying  
then when i thought about giving up and now im still trying ( to be strong but)  
now that i see my face with the scars they made ,i keep fallin'

repeat chorus 1

is it me?  
yes its me  
the broken one.

repeat chorus 1 (slow)

chorus 2  
so how does it feel  
how does it feel  
to be the broken one.
