

# Natalie Walker, Waking Dream

Pinch me  
Is this real  
This feeling of release  
I'm floating in your heaven  
In the corners of my dreams

Tasting life  
Numb again  
Close my eyes  
It begins

I cannot stumble here  
I am safe inside my head  
When I wake up I'll forget  
I'll come back to my mess

I will not leave  
Stay asleep  
Slip further in  
My ecstasy

Safe inside my mind I hide
