

# Natalie, You Don't Love Me No More

I still wanna be with you cuz I promised to  
But I feel something's going on going on with you  
So tell me do you feel the same cuz I could see you  
You don't You don't love me no more

I remember when you told me  
After we hooked up you would never change  
Now I notice when you hold me after we make up we wont feel the same  
Now I know what my throat was telling me was true ooohhhh  
You don't You don't love me no more

I can't believe what I feel is coming from what I love  
I wonder if we should take a chance it's plain enough slow it down (slow it down)  
Yeah Yeah maybe we should slow it down  
Baby, I cant' take it no more
