

# Natalise, Anything

I see you everyday and it hurts  
To know that you are not mine  
I hope that you will someday learn  
That in me love is what you'll find

(chorus)  
I'd do most anything  
For you to be here with me, can't you see  
I'd do most anything  
So I could feel you hold me and touch me

It's hard to show you how I feel  
I'd save all my love for you  
Cause I know we could be for real  
Just tell me what I have to do

(chorus)  
I'd do most anything  
For you to be here with me, can't you see  
I'd do most anything  
So I could feel you hold me and touch me..
