

Natalise, Anything

I see you everyday and it hurts
To know that you are not mine
I hope that you will someday learn
That in me love is what you'll find

(chorus)

I'd do most anything
For you to be here with me, can't you see
I'd do most anything
So I could feel you hold me and touch me

It's hard to show you how I feel
I'd save all my love for you
Cause I know we could be for real
Just tell me what I have to do

(chorus)

I'd do most anything
For you to be here with me, can't you see
I'd do most anything
So I could feel you hold me and touch me..
